

NASHOBA CARRIAGE CLASSIC & ARENA DRIVING TRIAL

Dear Friend of Field Sports,

The Nashoba Carriage Classic is a collection of carriage driving events held at the Germantown Charity Horse Show Grounds in mid-September each year. Driven dressage and obstacles comprise the Arena Driving Trial, which culminates in the exciting obstacle speed competition in the Sonny Foster Arena on the Friday evening. The Pleasure Show featuring detailed turn-out judging of fine horses in harness and shining antique and reproduction carriages continues on Saturday in two consecutively run arenas. A carriage dog class, a children's class and concourse d'elegance competition add interest to the day as well as obstacle courses for drivers looking for a heady challenge. Sunday is climaxed by the Magnolia Marathon which winds through the beautiful Germantown woods and neighborhoods nearby.

This year we have some special activities planned. The junior competitors will be featured and recognized with their own championship. Some of the top judges in the country will be officiating, one specializing in miniature horses and 4H judging, hence the junior emphasis. During the exciting obstacle course Friday evening, there will be a "Thrill on the Hill" gathering to enjoy the competition. Other social activities will be The Exhibitors Party, Mimosa Reception on the Magnolia Marathon and the Tri-Color Luncheon on Sunday featuring the Championship presentations. A Carriage Trade Fair will be open to the public all weekend on the grounds.

Your generous donations will help sustain the growth of the wonderful historical sport of carriage driving as well as to benefit our charity, Ryan's Hope Therapeutic Riding Program. If you have supported us before, thank you so much. This year, we hope to see you at the rail, cheering on your favorites.

Please fill out the sponsorship form attached and **Join Us!**

Sincerely,
Becky Hudson Billard, Show Chairman '07
Chris Norris, Secretary '07
